Carina Press, United States, 2016. Paperback. Book Condition: New. 170 x 107 mm. Language: English . Brand New Book. When Jamie Rutherford takes a temporary assignment as lieutenant of Boston Fire s Engine 59, she doesn t anticipate any problems. She s been in the fire service for a long time and, even though she s fairly new to Boston, she knows how to make any firehouse her home. What she s not prepared for is her reaction to firefighter Scott Kincaid. Scott is looking for a wife. It s been a fun ride as a single guy, but he s tired of being the third wheel, and nearly losing his brother-in-law finally made him realize just how much he wants a family of his own. When the new guy at the firehouse turns out to be a capable, confident and very attractive woman, his plan is completely derailed. Hooking up with a fellow firefighter has never been part of Jamie s plan, but she s tempted by Scott even though getting involved with him could tarnish the reputation she s worked so hard for. And Scott can t stop thinking about Jamie, despite the fact that she s his superior and not sticking around. Chemistry can crush the best-laid plans, though, and while Jamie and Scott might not be each other s future there s no resisting the right now.
