

A Short Manual of Analytical Chemistry: Qualitative and Try, and Organic (Classic Reprint)

By John Muter

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Short Manual of Analytical Chemistry: Qualitative and Try, and Organic In this edition it has been the effort of the reviser to let the original text remain as little altered as circumstances would admit. Changes have been made only so far as the United States Pharmacopoeia made it compulsory to do so, excepting the chapter on urine analysis, which has been enlarged and illustrated and cuts of microscopic urinary sediments added. The name of each chemical formula has been introduced where the formula occurs for the first time. This is done for the convenience of students of medical and pharmaceutical colleges, as well as for those who continue the application of analytical chemistry in their professional life. The processes for detection of certain acid radicals in presence of others are classified together, to be more applicable in searching for adulterations, as well as to save the student confusion by bringing the tests for radicals more closely together. A brief outline will be found on p. 61 which will aid the student materially in finding...
