WHY WE SUFFER, THE STORY OF BALAAM AND THE TALKING DONKEY

Createspace, United States, 2011. Paperback. Book Condition: New. Large Print. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.The story of the prophet Balaam in the Book of Numbers is one of the most fascinating that I have ever read. I was captivated by the tale s humor, and also by the prophet being given the privilege to speak with God in his dreams. I liked it so much that I wanted to illustrate it so that readers of the Bible could become better acquainted with the extraordinary story that is part of Israel s journey to the Promised Land. The Balaam incident demonstrates that when an individual willfully disobeys God s commandments, which are daily guides to living, it can cause suffering and death. I have fictionalized portions of the Balaam story to demonstrate that it was possible for Balaam and Moses to have encountered each other; however, the Torah, the Hebrew scriptures, does not indicate that they ever did. Recommended for ages 10 - 100.
