

## MUDe

By John Redmond

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, MUDe, John Redmond, MUDs are Multi-User Dimensions, online worlds created by language alone. In a collection that throws Irish poetry into the electronic age, John Redmond explores the Internet and car culture, MUDs and moods. New forms of post-industrial community enable us to co-exist facelessly across time and distance, connected but solitary in the virtual realities of the motorway and the Internet. In the title poem, the reader becomes game-player in Redmond's fictional MUD, where a traditional Irish landscape blurs with fantasy elements. Redmond creates a new kind of poetry from the online world's fissiparous language, elliptical, self-interrupting, and fizzing with invention.

### Reviews

*Very beneficial to all of class of people. I am quite late in start reading this one, but better then never. You may like just how the writer create this publication.*

-- **Audra Klocko PhD**

*Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*
