Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. And what brought you to France, fair cousin? The question was put by a beautiful girl scarcely yet verging on womanhood to a fine intelligent youth, two or three years her senior, as they paced slowly on together through the gardens of the Louvre on the banks of the Seine, flowing at that period bright and clear amid fields and groves. Before them rose the stately palace lately increased and adorned by Henry the Second, the then reigning monarch of France, with its lofty towers, richly carved columns, and numerous rows of windows commanding a view over the city on one side, and across green fields and extensive forests, and far up and down the river on the other. The walk along which the young people were proceeding was shaded by tall trees, the thick boughs of which kept off the rays of the sun, shining brightly on the gay flowers and glittering fountains, seen in the open space beyond them. The young girl had the air and manner of a grown-up person, with that perfect self-possession which seems natural to those brought up in the atmosphere of a court.
