Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Ian has been keeping a big secret from his wife since they met. He continues telling lie after lie to cover his tracks until tragedy strikes. When someone comes after Veronika, will their marriage survive the realization of what Ian truly does for a living? Or will Veronika give it all up? Veronika has a secret of her own. She starts an affair with someone close to Ian. When everything comes out, will Ian be able to forgive her? Or will he lose his mind and kill everybody? You have to read Love the Way You Lie to find out if this couple can survive not only the lies, but the lust, betrayal and murders that have been committed to keep them together.
