Carolina Academic Pr, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Many college students do not know how to find the subject or verb of a sentence, much less how to use commas or semi-colons correctly. Yet teachers need to spend most of their class time on composition and thinking skills. The Practical Grammar Handbook for College Writers (formerly My Dog Bites the English Teacher) allows teachers to cover all the grammar students need for correct writing in as little as 10 minutes a week for college-level writing courses. Unlike other handbooks cluttered with rarely needed information, The Practical Grammar Handbook for College Writers focuses on the grammar students actually need to write clearly and correctly. Appropriate both for higher developmental and college-level writing classes, it provides a step-by-step curriculum that guides students to a thorough understanding of the structure of the English language. The Practical Grammar Handbook for College Writers can be used as a teaching textbook in developmental courses, and it is also very effective as a reference book for college-level courses because it explains concepts clearly so that students can read and understand the material on their own. The chapter on research skills (thoroughly expanded for the second edition) presents the steps for writing a research paper in a clear, step-by-step manner that begins with analyzing a complete research paper and then learning the various skills needed for writing a research paper: conducting research, taking notes, paraphrasing, summarizing, quoting, and MLA documentation (signal phrases, in-text citations, and list of Works Cited). The chapter includes engaging activities to give students direct experience with research skills, and it answers the questions that always come up for students -- those writing their first research paper and those with more experience. The Practical Grammar Handbook for College...
