Brand New Book ***** Print on Demand *****.Using intercourse strictly for sexual pleasure and not to conceive children is called fornication. All of our problems stem from fornication. If people did not fornicate there would be no birth control. Billions of women take risks with their reproductive abilities everyday by putting chemicals into their bodies so they can fornicate safely . If people did not fornicate there wouldn t be any abortions. Only when people fornicate do they have unwanted pregnancies and are forced to abort them. If people did not fornicate there wouldn t be any unplanned pregnancies. All children would be planned, wanted and loved. Fornication is responsible for the dark state of the world. This all started with Eve in the Garden of Eden. God forbade Eve from having intercourse with Adam but she gave in to him. Eve never dreamed what the repercussions of her actions would be. Her sin in the garden has caused the slow destruction of all humanity.
