Conversational Language Quick and Easy: The Most Innovative and Revolutionary Technique to Master the World's 27 Most Common Languages

By Yatir Nitzany

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm.

Language: English . Brand New Book ***** Print on Demand *****.Have you always wanted to learn how to speak a second language but simply didn't have the time? Look no further. You hold in your hands the most revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world (including 7 Arabic dialects) and distilling from them the 350 words that are most likely to be used in real conversations. Through various other discoveries about how real conversations work that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way to become fluent NOW. If you want to learn complicated grammar rules, or the non-Romanized alphabet of a foreign language, this book is not for you. However if you need to actually hold a conversation whilst on a trip to a foreign country, to impress that certain someone, or to be able to speak with your grandfather or grandmother...
