

Pronti. via!: Student Textbook: Beginning Italian (Hardback)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

Yale University Press, United States, 2006. Hardback. Book Condition: New. 251 x 203 mm. Language: Italian,English . Brand New Book. Pronti.Via! is a complete beginning Italian language course that focuses on communication skills without excluding grammar. This timely programme is based on solid language acquisition theory and reflects an eclectic approach that includes using language for true communication, developing linguistic ability in a natural way, and promoting the growth of self-discipline towards the learning of grammar. Five years in the making and class-tested at the University of Georgia by the author and her colleagues, this first edition of Pronti.Via! received extensive peer review, detailed editorial development, and a user-friendly design that combine to make Pronti.Via! a programme that merits serious consideration. This book's features include: chapters are arranged around a thematic focus that starts from the personal to arrive at the general; classroom activities conform to the theme of each chapter and stimulate vocabulary practice in meaningful contexts; interactive instruction responds to learners' different styles and goals; truly communicative activities encourage students to manipulate meaning from the very first days; class time is filled with aural and written comprehensible input, allowing teachers and learners to enjoy the natural and gradual emergence of accurate speech; overarching language teaching practice encompasses the five goals identified by ACTFL - the celebrated five C's of foreign language study: communication, cultures, connections, comparisons and communities. Pronti.Via! includes: Annotated Instructor's Edition (ISBN 0300111320); Student Textbook (ISBN 0 300 10842 7); Student Workbook with Audio (ISBN 0 300 10843 5); Test Bank (Available online); Laboratory Manual and Audio Program (Available online); and a Companion Web Site.
