

Chesapeake Legends and Lore from the War of 1812

By Ralph E Eshelman, Scott S Sheads

History Press, United States, 2013. Paperback. Book Condition: New. New.. 226 x 152 mm. Language: English . Brand New Book. In the two hundred years following the War of 1812, the Chesapeake Campaign became romanticized in tall tales and local legends. St. Michael s on the Eastern Shore of Maryland was famously cast as the town that fooled the British, and in Baltimore, the defenders of Fort McHenry were reputedly rallied by a remarkably patriotic pet rooster. In Virginia, the only casualty in a raid on Cape Henry was reportedly the lighthouse keeper s smokehouse larder, while Admiral Cockburn was said to have supped by the light of the burning Federal buildings in Washington, D.C. Newspaper stories, ordinary citizens and even military personnel embellished events, and two hundred years later, those embellishments have become regional lore. Join historians Ralph E. Eshelman and Scott S. Sheads as they search for the history behind the legends of the War of 1812 in the Chesapeake.
