Pub Date: November 2012 Pages: 352 Language: Chinese in Publisher: CITIC Publishing House in 2011. the European debt crisis FY blows global economy precarious. euro collapse theory rampant. the economic shock waves from the European sense of the world chill. On the surface. the debt crisis in Europe reflected the countries' fiscal policies do not match. but in fact the root cause of the fracture is the question of the mode of economic development of the South and the North in Europe. If you see the nature of the debt crisis. it is clear that in order to re-make the European economy truly recovered not only launched these emergency measures fiscal union. banking alliance. euro bonds. European stability mechanism on cure. . Who is the biggest benefit of people in crisis? European governments Obviously not. because they are the major powers will be lost; peoples of Europe. of course not. because they will be forced to pay the price for the crisis. The biggest benefit is the capital. So. from another perspective. the debt crisis can be interpreted as financial interests and sovereignty of the contest. If there is no history of the coordinate system. occurring in front of the European debt crisis is indeed confusing profusion. In this sense. the currency war: of money in the world (one million upgrade version) explore precisely the course of the rise of the European plutocracy forces in the nearly 300 years. people may wish to book regarded as before the debt crisis pass . Perhaps the outcome of the European debt crisis is not the disintegration of the euro. but a crisis Forced reform. countries were forced to hand over...
