Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from The Gleaner, Vol. 4 Being eager to know the facts concerning these unsuccessful farmers, I have asked them to explain to me (1) the location of their farm, (2) its physical characteristics and (3) its area. I have ascertained the following facts. Fifteen years ago, one man coming over from Russia with a capital of a thousand dollars bought a forty-acre farm in New Jersey, fifty miles from a city. He was entirely unfamiliar with the customs and manners of the American people, and another important difficulty was that he could not speak English. Moreover, instead of buying good tillable land which would yield an immediate reward for his labor, he purchased land which was full of bushes and shrubs. To invest money in land like that was extremely foolish. The man did not possess the least conception of what his land was best fitted for, or if general farming, dairying, or poultry raising could bring the most profit. He was also entirely ignorant of the American ways of cultivating the soil, of the American peculiarities of climate, and of the New Jersey poverty of soil. Another man, being exiled from Moscow in 1895, decided to come to the New World and become a farmer. He bought a tract of woods in New Jersey with the object of clearing it, but after two years of hard labor he became disgusted and gave it up. These are not exceptional individual instances, but, I have heard, that there are a good many Jewish people who undertook farming in a similar manner and failed. Is it to be wondered at, that these people have failed in farming? Having...
