Her first novel had been published and she was preparing for a successful career as an author. All her dreams seemed to be coming true. But three years later, she still hasn't written a word. After the death of her father (a father who had abandoned the family seventeen years earlier), Kerri finds herself moving away from Toronto to the small Georgian Bay town of New Ferndale. Will the change of scenery help her overcome her writer's block? Or will she be too distracted by the men in her life; Denny (her first love), Carter (the small-town lawyer), and Duncan (her new neighbor)? And can she keep her sanity once her newly-divorced sister moves in with her? Family secrets are revealed and old wounds are exposed as Kerri realizes that love and happiness may not be the lies she always thought they were. This item ships from multiple locations.
