The parents guide to swimming, July 5, 2003 Reviewer: Rebecca Uhl- van Oostendorp from Oxford, MS United States As a past competitive swimmer and current USS swimming coach, I cannot express enough gratitude to Dr. Arata for the invaluable asset he offers to parents, swimmers and coaches alike. This book is the answer to the question parents often ask: We don't know anything about swimming; is there anything to read THIS is it! The information in this book will provide the security, comfort and knowledge for any new parent whose child is entering swimming. Moreover, it enables them to understand, support and encourage their child in this wonderful lifelong sport. I am buying and distributing copies to my team. Thank you, Dr. Arata, for putting into the written word what ordinarily takes years to otherwise get across. The Handbook for all Parents of Swimmers, July 5, 2003 Reviewer: Roger W Rechsteiner from Lubbock TX This is a terrific book! How I wish I had it when my own swimming daughter was feeling burned out. Dr. Arata has great ideas on how to motivate kids past that stage so they have a chance to fulfill their potential. A wonderful resource on training, diet everything! Super A! Great information for parents of competitive swimmers!, July 6, 2003 Reviewer: Terre Christensen Parents Guide to Swimming is a much needed tool for parents of competitive swimmers. He provides suggestions as to how parents can help their children succeed in competitive swimming while leaving the coaching to the coach. A very worthy read packed full of good information on topics ranging from nutrition to flexibility to how to find a...
