Leighton, an All rights reserved. old New Hampshire brakeman, caught scent of the situation, followed, and sprang into the cab at Kent s heels. The others held back and stared dubiously. Give her draught, Charlie! Stir up the coal, muttered Kent through quivering lips. He reversed the engine, opened the throttle and forced the remaining cars twenty feet down the grade, below the switch. Leighton uncoupled and the engine sprang ahead. The switch clanged, Leighton climbed back into the cab, and the locomotive backed over the siding to the main line, south of the cars; but by the time the main track was reached and the engine leaped away in pursuit, the wild freight was several minutes away and out of sight behind the first curve. For a mile there was silence, Leighton busy at the fire and Kent sitting with hand at the throttle, staring eagerly ahead for sight of the runaway, now lurching drunkenly over a forest-hidden track. Around a second curve the engine wheeled before they caught sight of the freight. There they are! cried Kent. They ve got a sightly start of us, observed Leighton dryly. Cal latin to plant themselves on the Angle, I guess, and tip us off into the snow. We ll have to creep around pretty sly. We...
