Xulon Press, United States, 2009. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stephen Paul Blake lives in Fruit Cove, outside Jacksonville, Florida and is the single Dad of Matthew and Austin. He has been blessed to receive the Eagle Scout and Vigil Honors from the Boy Scouts of America, along with Six Sigma Green Belt and Professional Engineering Registrations. Even after graduating from Duke Engineering, his life was still not always on an even keel, but then was a good moment to rededicate and begin to really grow in the Lord. With that faith his work brought him to the Carolinas, Upstate New York, and Florida. Stephen found construction project work to be steady, gaining the administrative, field, and managerial skills needed for senior responsibilities. Large projects that called for estimating and progress tracking spreadsheets became his specialty, as can be seen with a quick look through Transition Trading. After a generation of construction project involvement, he decided to incorporate Workplace Management Inc. to share his process and project management experience. It was during that time he was introduced to the modern trading and analytical software era. Success was fleeting, so after helping a couple of clients, he went back to the regular work force - the Job. This last employment made him lie down in green pastures in order to learn a new skill. Yet after experiencing many trading books, day trading restrictions, and poor options forecasts, his interest had waned. That apathy ended when Stephen discovered the ultimate in leverage and liquidity in the stock index futures class - the E-Mini. Months of honing the trading rules, developing the habits to follow them, and completing work assignments has led to the point where he can start helping...
